ABOUT THE MANAGING DIRECTOR

Mr. H. NARASIMHA PAI & Mrs. AJITHA PAI
MANAGING DIRECTOR

A visionary entrepreneur with a passion for innovation and excellence, Mr. H. Narasimha Pai (DME) has 21 years of experience in the industry. He has established a reputation for delivering high-quality products and services. Under his leadership, Supreme Solar has grown into a leading solar water heater manufacturing company, known for its commitment to quality, customer satisfaction, and community development.

Membership / Association:

-KASMA & STFI

Alongside his wife, Mrs. Ajitha Pai (B.E Mechanical), Mr. Pai has steered Supreme Solar towards unprecedented growth and success. Together, they have:- Established a strong presence in over 18 countries worldwide- Become one of the largest manufacturers of solar water heaters in India- Received prestigious awards, such as the **"Best Solar Water Heater Manufacturer"** award at the Renewable Energy India Awards- Collaborated with international organizations to promote sustainable energy solutions- Expanded product portfolio to include a range of solar PV solutions.

Today, Supreme Solar is recognized as a global leader in the renewable energy sector, with a reputation for innovation, quality, and customer satisfaction.

Mr. and Mrs. Pai's vision, leadership, and commitment to sustainability have been instrumental in driving the company's success, and their legacy continues to inspire future generations of entrepreneurs and environmental stewards.

"A Message from Our Managing Directors "

At Supreme Solar, we believe that renewable energy is the key to a sustainable future. As pioneers in the solar water heater industry, we have always been committed to providing innovative, high-quality solutions that make a positive impact on our customers' lives and the environment.

As we continue to grow and expand our presence globally, we remain dedicated to our core values of innovation, customer satisfaction, and sustainability. We are proud to have a talented team of professionals who share our vision and are passionate about making a difference.

We would like to take this opportunity to thank our valued customers, partners, and stakeholders for their continued support and trust in us. We look forward to continuing to serve you and contributing to a brighter, more sustainable future for all.

Sincerely,

Mr. H. Narasimha Pai & Mrs. Ajitha Pai

Managing Director, Supreme Solar

ABOUT THE DIRECTOR

Mr. Ganesh Pai M
Director, Supreme Solar

Mr. Ganesh Pai is a Director and industry expert with over 14 years of experience as a marketing director in Supreme Solar manufacturing company. He holds a diploma in Mechanical engineering and has completed various executive programs in business management.

Career Highlights:

- Marketing Head at Maruthi Dealer
- Franchise Partner of GE Money USA
- Marketing Director, Supreme Solar (Past 14 years)

Memberships In ,

- Ex-President of Karnataka Solar Manufacturing Association (KASMA), Members in different associations namely BNI, STFI, AIREA.
- Implemented various initiatives to promote sustainable energy practices and reduce carbon footprint.
- Participated in various Domestic as well as International Exhibitions to represent Supreme Solar namely , UAE, CAPE Town South Africa, Munich Germany, Atlanta City USA and Nepal.

Notable Awards & Recognition:

- Karnataka Business Award
- Best MSME Award (2024)

Under his visionary leadership, Supreme Solar continues to shine bright, illuminating the path to a sustainable future. Opened more than 70 Supreme franchises across India.

“A Message from Director”

At Supreme Solar, we're committed to empowering a sustainable future through innovative solar solutions. I'm proud of Supreme team's dedication to excellence and customer satisfaction. As we continue to grow and expand globally, we remain focused on delivering top-notch products and services that make a positive impact on our customers' lives and the environment.

Thank you for your continued support and trust in us - Mr. Ganesh Pai, Director, Supreme Solar

About Us

We have been established in year 2004, Supreme Solar has grown from a modest customer base to a trusted brand in India's domestic water heater market. We're recognized as one of India's top solar water heater companies, known for our quality and reliability.

As pioneers in ETC (Evacuated Tube Collectors) and FPC (Flat Plate Collectors) based solar water heaters, we've been driving the renewable energy revolution. Our mission is to empower millions to harness the benefits of solar power. Today, we're proud to have enabled lakhs of individuals to switch to solar water heaters. As a diversified company, Supreme Solar offers a portfolio of world-class products, including solar water heaters that excel in durability, performance, and innovation.

We launched, Glass-Lined Solar Water Heating Systems from 100LPD - 600LPD .world's best technology of present days. Internationally renowned technology for clean hot water.

Our other products are , Solar Rooftop Solutions, Electric Geysers, Heat Pumps, Kitchen Chimneys all under Supreme.

- * Supreme Nature Grains: Chakki Fresh Atta, Clear Whole Wheat Flour (introduced in 2024)
- * Supreme Jal Water Bottle Plant Jan , 2025
- * Supreme Souharda Credit Co-Operative Society Ltd: Established in 2024, providing specialized loans for solar energy projects.
- * Supreme Solar Pvt. Ltd., in partnership with CSIR-NAL, is excited to launched NALSUN-NG™ technology—the first, sprayable, eco-friendly graphene oxide-based coating for flat plate solar water heaters.

Management

Supreme Solar Systems is one of the leading companies operating as Manufacturer, Exporter, Wholesaler, Trader and Importer that deals with solar products such as Solar Water Heater, Kitchen Chimney, Hobs. Solar Lighting System, Electrical Storage Geyser, RO Purifier and Heat Pump.

Renowned for high quality and efficient functioning our products have been an innovative step in the concept of energy preservation and utility. Designed using the finest kind of raw material such as high-grade stainless steel, our products are greatly preferred by a large number of customers. Fabricated in exact compliance with industry norms, we are a government-approved enterprise working for almost a decade in this field.

Our expertise and experience in this industry have been possible due to the joint effort and team spirit of our members. We are a skilled group of professionals working together towards the common goal of offering high-quality solution-oriented power products for our valued customers. Our varied panel of manufacturing personnel, supply and logistics staff, administration and customer care unit all work in complete harmony to provide quality centric highly functional products for the customers.

Our enterprise has gained an outstanding position in the market thanks to the valuable guidance of Mr. H Narasimha Pai (Managing Director) who has enabled us to win the trust and loyalty of a number of esteemed patrons.

Over 5,000 dealers & distributors across India

Dealer network spanning 22 states in India

WHAT REALLY MATTERS TO OUR CUSTOMERS!!

Quality

Delivery

Cost

Service

Our Capabilities

We have set up a Large-scale solar energy product manufacturing unit, with Integrated scientific research, production, sales, and after-sales as a complete offering to our customers.

The core element of Supreme Products is to adapt advanced technology and international standards. Our products are well received in the home and commercial segments.

- In-house Research Team driving continuous improvement.

Quality Focus

Providing high-quality solar products with zero defects to ensure customer satisfaction.

Our Reach

Global presence with a strong foundation in India.

Manufacturing Excellence

State-of-the-art manufacturing plant spread across 11 acres land.

- Daily production capacity of **800** systems.
- Ranked among the top solar water heater manufacturing company in India.

Quality Policy

At Supreme Products, we are committed to achieving total customer satisfaction by supplying quality products on time. We achieve this through: Total involvement of employees- Compliance with quality management system requirements- Continual improvement of our processes.

Recognitions

Featured as a top solar water heater brand by the Indian Express.

Market Leadership: Strong presence in the Indian solar water heater market.

As per BRG UK Report Supreme Solar has been awarded No.1 Solar Water Heater Company in India.

Environmental Responsibility

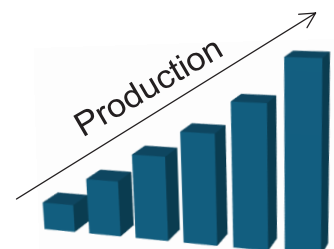

Empowering customers to make environmentally conscious choices by adopting solar energy.

Certifications

Our products are certified by a range of international and local quality and product standards.

We introduce ourselves as a Manufacturer of Solar Thermal Systems for homes and Industrial applications. Our-Company is approved by Ministry of New and Renewable Energy (**MNRE**) - Government of India, New Delhi and we are one of their channel partners eligible for Capital Subsidy under **JNNSM** Scheme.

In addition, Our manufacturing facility is **ISO9001:14001**, **BIS** Certificate for ETC as well as **FPC**, **BEE Star Rating** Certificate, The First Indian Solar Company with **KEY MARK** International Standards Certificate from Germany. **Quality Management** certified. Test reports are available at our Supreme solar centre.

SUPREME FPC MODEL

SOLAR WATER HEATER(PC)

Technical Specifications

Section	: 1.2mm thick aluminium
Back sheet	: 0.46mm thick aluminium
Insulation	: Fiber glass wool
Flat plate collector	: Ultrasonic welded with nalsun coating
Header pipe	: Cooper 24 SWG
Glazing	: 1000X2000X4mm clear toughened glass
Fasteners	: Stainless steel
Grommets	: E.P.D.M rubber
Flanges	: Brass
Finishing	: Powder coating / Stainless Steel
Strong tank	
Inner tank	: C.R.C.A sheet with prime guard coating
Insulation	: 50mm thick PUF
Support structure	: Mild steel with powder coating
Capacity available	: 110 LPD to 300 LPD Glass Lined 500 LPD to 2500 LPD Ceramic

SUPREME FPC MODEL

Jacket Type Heat Exchanger Model

Technical Specifications

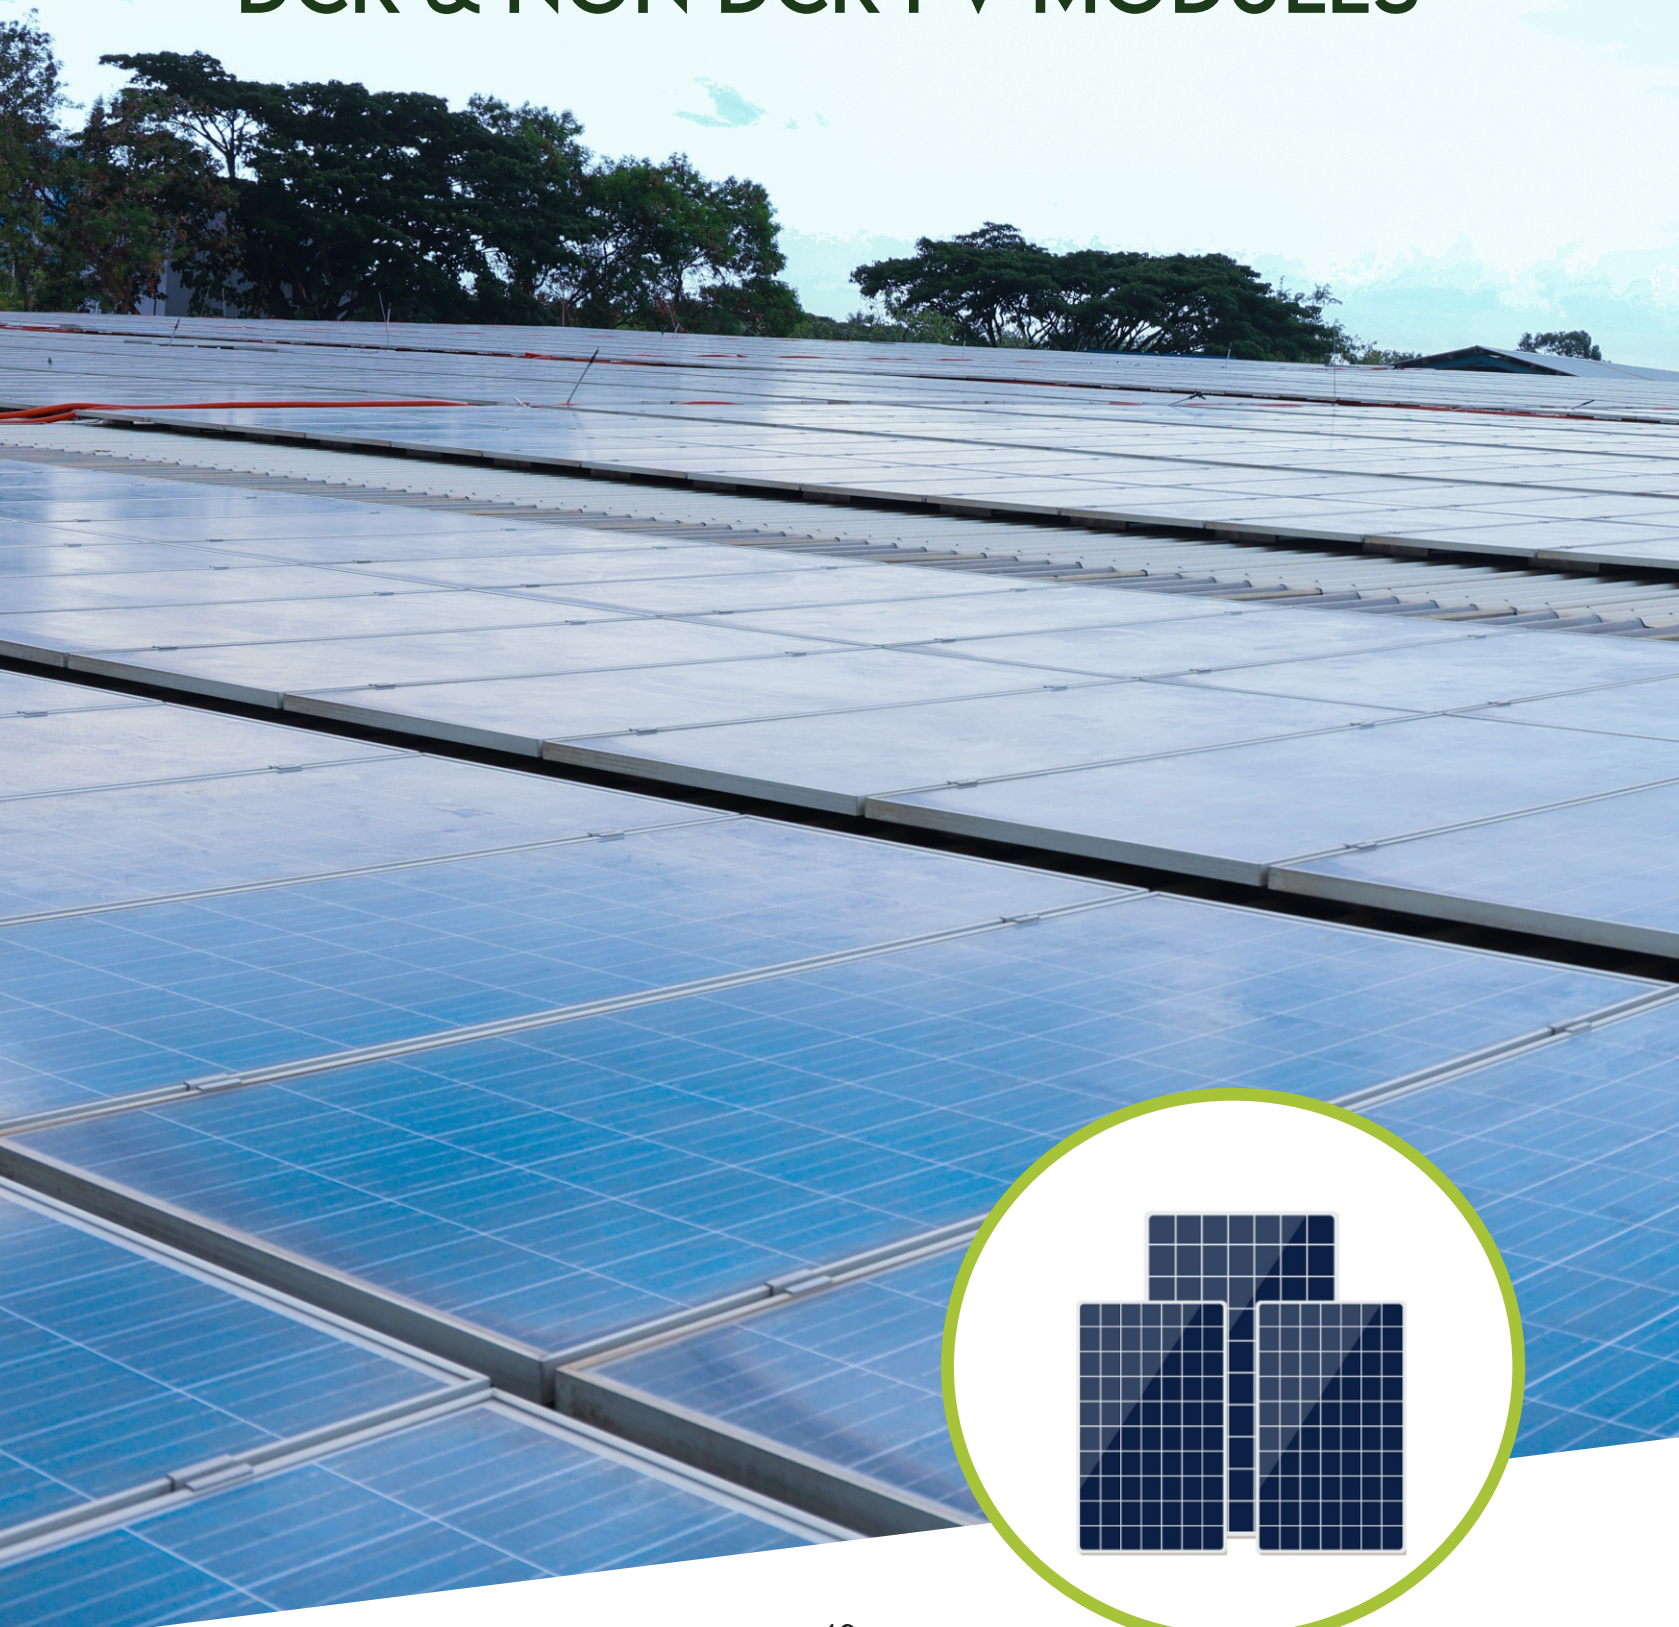

Inner tank Material	: 3 mm CRCA with Porcelain Enamel Coating
Jacket Material	: 1.5 mm CRCA
Outer Tank	: 0.4 mm Pre Coated / 0.3 mm Stainless Steel
Inner Dish	: 3 mm CRCA with Porcelain Enamel Coating
Heat Transfer Carrier (medium)	: Glycol in the Jacket
Temperature	: 60 degree C to 85 degree C.
Tank Insulation	: PUF 50 (Polyurethane foaming)
Stand frame	: GI Polyester Powder coated
Method of Welding	: Straight and Plasma Welding Technology.
Type of Fasteners	: Stainless Steel (Galvanised)
Inlet Outlet Pipes	: Low Carbon Steel
Type of Grommets	: EPDM (washers)
Type of Circulation	: Forced Flow
Electrical Back Up	: Optional

BENEFITS:

- Save Up to 70% on your Electricity Bill
- Eco Friendly
- Extended Life of more than 20 years
- Low maintenance
- One time Investment, Life long Benefit
- Scale Guard for hard water
- Anti Freeze in cold region

SUPREME SOLAR DCR & NON DCR PV MODULES

Consider our Solar solutions & Save on your  **Electricity Bill !!**

TOP Home Appliance SUPREME HEAT PUMP SERIES

SUPREME HEAT PUMP SERIES

BENEFITS OF SUPREME HEAT PUMP

- 24/7 Hot water availability.
- Saves 70% to 80% of energy when compared to traditional heating methods.
- Reduce the CO2 emission.
- Fully saving compared to traditional combustion heating.
- Works in any type of climate.
- Easy and flexible installation.
- It can be clubbed with the existing solar system/ diesel fired boiler as a hybrid solution.
- Requires less area for installation.
- Durability: long life span with least maintenance.
- Equipped with fully automatic and intelligent controllers and no needs human attention once commissioned.
- Supreme Heat Pump is Service Friendly and we can get all spare parts in any local markets all over India.

'Make your day'
Start with a **HOT** Bath

WORKING OF A HEAT PUMP:

A mixture of water and anti-freeze is pumped around the ground loop and absorbs the naturally occurring heat stored in the ground. The water mixture is compressed and goes through a heat exchanger, which extracts the heat and transfers it to the heat pump. The heat is then transferred to your home heating system.

SUPREME AQUA DELTA

- Advanced RO Technology + Alkaline 12th stage purification
- Wall mount and transparent water level indicator
- 13Ltrs storage tank capacity
- Inbuilt storage tank
- Suitable for all type of raw water
- Works up to 1600 TDS
- Fully automatic water level sensor with auto start /Auto off
- UV UF TDS with mineral cartridge + Alkaline cartridge (optional Copper Cartridge inline if required)

SUPREME AQUA MAGNA

- Advanced RO Technology + Alkaline 12th stage purification
- Wall mount and transparent water level indicator
- 18Ltrs storage tank capacity
- Inbuilt storage tank
- Suitable for all type of raw water
- Works up to 2400 TDS
- Fully automatic water level sensor with auto start /Auto off
- UV UF TDS with mineral cartridge + Alkaline (optional Copper if required)

SUPREME AQUA PRIME

- Advanced RO Technology + Alkaline
- 12th stage purification
- Wall mount with water level Indicator
- 10Ltrs storage tank capacity
- Inbuilt storage tank
- Suitable for all type of raw water
- Works up to 2400 TDS
- Fully automatic water level sensor with auto start /Auto off
- UV UF TDS with mineral cartridge + copper cartridge (optional)

SUPREME AQUA CORAL

- Advanced RO Technology + Alkaline
- 12th stage purification
- Wall mount and transparent water level indicator
- 15Ltrs storage tank capacity
- Inbuilt storage tank
- Suitable for all type of raw water
- Works up to 2400 TDS
- Fully automatic water level sensor with auto start /Auto off
- UV UF TDS with mineral + Alkaline (optional Copper cartridge inline if required).
